

WORK EXPERIENCE

— SEP 2021 – DEC 2021

SONIA ELALJ WEBSITE – FRONTEND DEV

PROFESSIONAL PSYCHOLOGIST WEBSITE

First freenalnce website I made for profesional purposes. During the creation of this project I learned how to apply all the knowledge I had in web development, such as CSS, HTML, Bootstrap and JS.

I also learned how to talk with the client to achieve the best possible product.

— Jun 2022 – Jul 2022

3AH WEBSITE – FRONTEND DEV

MVP HAIRDRESSER'S WEBSITE

Worked on the minimum viable product for a hairdresser's website. Currently working on expanding it to an e-commerce.

Website link: <https://adriroca20.github.io/>

— AUG 2021 – FEB 2022

F1-CONNECTING – C# DEV

Great experience working on a retail company. Contribute developing a C# project till the release.

Worked on testing last weeks, finding bugs to fix them.

— 2018 – 2021

HOSTELTY EXPERIENCE

I had been working on many restaurants, learning how to be more productive in short periods of time and how to work in stressful situations.

- Cinnamon club - London 2018
- El sabor - Valencia 2020
- Lo que diga la rubia - Valencia 2019

“

I'm a Frontend Developer with experience in Web Designing and UI development.

I really like to work in group and to meet new people who can show me new points of view to face a problem.

I enjoy learning new technologies and keeping myself up to date.
